

EMBROIDERY PRICES AND LINKS

Thank-you for your interest. Please find information on prices to get your "Gear" Embroidered and ordered through us. Let us do all the work for you! We also have provided prices for embroidery on your own current gear.

Please note that we offer flexible options so if you do not see something of interest below please let us know. Or if you need help choosing the items that best suit you we can help there as well. We work with a one price system. So all prices listed will include HST and your logo (where applicable)

** We have found that people all have very different taste so to better serve you we have provided links below to our suppliers so you can choose which items you are interested in. Once you choose your items please send us the code numbers and we will provide you with prices that will include your Custom Logo on them. We have also included some examples of price ranges for simple items to get you started.
